ABOUT US

Myunibridge([www.myunibridge.org](http://www.myunibridge.org).) is a premium study abroad & career education advisory that helps aspiring students get accepted into top tier educational institutions globally. We strive hard to admit young talents at top universities of the world like MIT, Columbia, Harvard, University of Pennsylvania, London School of Economics, University of Michigan, Oxford, and University of Chicago amongst others. Students eligible for High school,

under graduate and Postgraduate (Masters, MBA and Executive Education) degrees receive all rounded guidance during the application process. We first build a strong understanding of the students' abilities, aptitude and interests, then assist them in selecting the best suited educational institutes for them and guide them through the entire application process. Myunibridge education associates, who have graduated from top global institutes themselves, know the intricacies of the rigorous admissions procedure and the extreme attention to detail required by a top-ranked university. They are passionate about sharing their experiences with students worldwide.

We as a team have more than sixty years' experience the education industry and career counseling and now looking to leverage this experience and expertise for benefit of our younger generation guiding them to win prestigious international scholarships for overseas education at premier universities across the globe. Our strong network of partner universities in countries like the UK, USA, EU countries, Malaysia, Turkey, Australia, New Zealand, Canada Middle East Central and Asian Countries, has created with years of hard work and has helped us place many students in the top universities abroad.

Our goal is to provide free counseling on scholarship opportunities, admissions (wherever possible), International Language Test preparation and free visa application assistance, to help the younger generation achieve their dream of studying abroad, and choosing the right career path
